

Renewal of the National Cervical Screening Program

The National Cervical Screening Program will change from 1 December 2017. The following resources are available to support healthcare professionals to implement these changes into their practice.

Online information

National Cervical Screening Program: Guidelines for the management of screen-detected abnormalities, screening in specific populations and investigation of abnormal vaginal bleeding (2016 Guidelines). <i>For reference purposes only until 1 December 2017</i> http://wiki.cancer.org.au/australia/Guidelines:Cervical_cancer/Screening
Cervical cancer education modules (e-learning) http://wiki.cancer.org.au/australia/Guidelines:Cervical_cancer/Screening/E-learning
NPS MedicineWise online training modules https://learn.nps.org.au/
