

# Renewal of the National Cervical Screening Program

The National Cervical Screening Program changed on 1 December 2017. The following resources are available to support healthcare professionals to implement these changes into their practice.

## Online information

National Cervical Screening Program: Guidelines for the management of screen-detected abnormalities, screening in specific populations and investigation of abnormal vaginal bleeding (2016 Guidelines) <a href="http://wiki.cancer.org.au/australia/Guidelines:Cervical_cancer/Screening">http://wiki.cancer.org.au/australia/Guidelines:Cervical_cancer/Screening</a>
Cervical cancer education modules (e-learning) <a href="http://wiki.cancer.org.au/australia/Guidelines:Cervical_cancer/Screening/E-learning">http://wiki.cancer.org.au/australia/Guidelines:Cervical_cancer/Screening/E-learning</a>
NPS MedicineWise online training modules <a href="https://learn.nps.org.au/">https://learn.nps.org.au/</a>
