

Request for Direct Access Gastrointestinal Endoscopy (Adult)

Referral for:

Reason for Referral (must select one):

If other please specify

For clinical assessment or other procedures (e.g. ERCP, EUS) please use the CRS General Adult Outpatient form. For guidance on referral guidelines, refer to the <u>HealthPathways</u> or <u>Referral Access Criteria</u> websites.

Patients who require immediate attention (ie. within 7 days) should **<u>NOT</u>** be referred via the Central Referral Service – contact the Gastroenterology service at the nearest site for advice.

For referrals to public metropolitan hospitals and Collie Health Service, please forward this form to the Central Referral Service. For referrals to other WACHS hospitals, please forward directly to the relevant site.
