Establishment list 2024/2025

The establishment codes listed are the codes that HMDS accepts to identify establishments for reporting purposes. Reporting hospitals must ensure that only the codes listed in this are reported in inpatient data. If a code is not listed, please contact the Admitted Data Collection DoH.AdmittedDataCollection@health.wa.gov.au, so that it can be added to the list.

The establishments listed are sorted in alphabetic order by establishment name. In addition to the establishment code and corresponding name, the list includes four columns as follows:

Report to HMDS indicates (with a 'Y') whether the establishment reports inpatient summary data to the Hospital Morbidity Data System or not.

Est type specifies the establishment type. Possible types are:

Code	Description
AH	Acute Hospital
AR	Acute/Rehabilitation Hospital
D2	Day Surgery (23/24 – Hr)
DS	Day Surgery (Other)
DT	Detention Centre
NH	Nursing Home
