9. AGENCY SPECIFIC AGREEMENTS

9.1 The primary industrial instruments for regulating pay and conditions for employees shall be the applicable Award and this General Agreement. An ASA shall be read in conjunction with the applicable Award and this General Agreement and except where this General Agreement identifies conditions as core, the ASA will prevail over this General Agreement and the applicable Award to the extent of any inconsistencies.

9.2 Core conditions of employment referred to in clause 8 – Core Conditions of this General Agreement cannot be the subject of an ASA, other than the exception pertaining to the State Training Providers provided in clause 35.2(b) of this General Agreement.

9.3 The parties accept that ASAs will only be made in the following circumstances:

(a) where an existing ASA is due to expire and the parties seek to register a replacement ASA; or

(b) where arrangements are agreed by the parties to be necessary due to the nature of work undertaken or the environment in an agency.

9.4 Should the parties be unable to reach agreement the matter may be referred by either party to the WAIRC.

PART 2: SALARY RELATED MATTERS

10. SALARIES

10.1 The annual salaries provided for by this General Agreement shall be those contained in Schedule 2 – General Division Salaries and Schedule 3 - Specified Callings Salaries of this General Agreement.

10.2 An employee who is employed by the employer on the date of registration of this General Agreement will, on registration of the agreement, receive a payment equivalent to the 2.75% additional salary that would have been paid had the salaries in Schedule 2 or Schedule 3 been paid on and from 13 June 2014.

10.3 An employee who resigns or retires or whose employment is otherwise terminated prior to the registration of this General Agreement is not entitled to the payment provided in clause 10.2.

10.4 The second salary increase of 2.5% shall operate on and from 13 June 2015.

10.5 The third salary increase of 2.5% shall operate on and from 13 June 2016.
10.6 The annual salaries provided in Schedule 2 – General Division Salaries and Schedule 3 – Specified Callings Salaries of this General Agreement include full and final settlement of productivity improvements up to the date of commencement of the Public Service and Government Officers General Agreement 2011.

10.7 An employee covered by clause 16 – Supported Wage of the applicable Award shall be paid the applicable percentage of the minimum rate of pay prescribed by this General Agreement for the class of work the person is performing.

10.8 An employee’s fortnightly salary shall be:

(a) determined according to the annual salaries contained in Schedules 2 and 3;
(b) calculated to four decimal points; and
(c) rounded to the nearest one cent.

10.9 Subject to clause 10.3, the employer will pay the payment provided in clause 10.2 to an employee who, prior to the registration of this General Agreement:

(a) was employed in the WA Public Sector under a different industrial agreement to which the union is respondent; or was employed by another employer named in this General Agreement; and
(b) commenced employment with their current employer within one calendar week of ceasing employment with their previous WA Public Sector employer.

11. SALARY PACKAGING

11.1 Salaries as prescribed by Schedules 2 or 3 of this General Agreement are to be applied for the purposes of clause 15 (3) of the applicable Award, regarding Total Employment Cost, and clause 15 (6) of the applicable Award, regarding Compulsory Employer Superannuation Guarantee contributions.

12. RECOVERY OF UNDERPAYMENTS

12.1 Where an employee is underpaid in any manner:

(a) the employer will, once the employer is aware of the underpayment, rectify the error as soon as practicable;
(b) where possible the underpayment shall be rectified no later than in the pay period immediately following the date on which the employer is aware that an underpayment has occurred; and
(c) where an employee can demonstrate that an underpayment has created serious financial hardship, the employee shall be paid by way of a special payment as soon as practicable.

12.2 An employer shall compensate an employee for costs resulting directly from an underpayment, where it is proven that the costs resulted directly from the underpayment. This includes
compensation for overdraft fees, dishonoured cheque costs, and dishonour fees related to routine deductions from the bank account into which an employee’s salary is paid.

12.3 Nothing in this clause shall be taken as precluding the employee’s legal right to pursue recovery of underpayments.

13. RECOVERY OF OVERPAYMENTS

13.1 The employer has an obligation under the Financial Management Act 2006 to account for public monies. This requires the employer to recover overpayments made to an employee.

13.2 Any overpayment will be repaid to the employer within a reasonable period of time.

13.3 Where an overpayment is identified and proven, the employer will provide the employee with the written details of the overpayment and notify the employee of their intent to recover the overpayment.

13.4 Where the employee accepts that there has been an overpayment, arrangements for the recovery of the overpayment will be negotiated between the employer and employee.

13.5 If agreement on a repayment schedule cannot be reached within a reasonable period of time, the employer may deduct the amount of the overpayment over the same period of time that the overpayment occurred provided:

(a) the employer may not deduct or require an employee to repay an amount exceeding 5% of the employee’s net pay in any one pay period without the employee’s agreement; and
(b) where necessary, an employer may deduct money over a period of time greater than the period of time over which the overpayment occurred.

13.6 If the employee disputes the existence of an overpayment and the matter is not resolved within a reasonable period of time, the matter should be dealt with in accordance with clause 49 – Dispute Settlement Procedure. No deductions relating to the overpayment shall be made from the employee’s pay while the matter is being dealt with in accordance with the Dispute Settlement Procedure.

13.7 Nothing in this clause shall be taken as precluding the employer’s legal right to pursue recovery of overpayments.

13.8 Where an employer alters the pay cycle or pay day, any consequential variations to an employee’s fortnightly salary and/or payments to compensate shall not be considered an overpayment for the purposes of this clause.
PART 3: CONTRACT OF EMPLOYMENT

14. PART TIME EMPLOYMENT

14.1 The provisions of this clause:

(a) are to be read in conjunction with clause 9 – Part-Time Employment of the applicable Award, with the exception of:

(i) clause 9 (6) Public Service Award 1992; and

(ii) clause 9 (12) of the Government Officers Salaries, Allowances and Conditions Award 1989; and

(b) do not prevent an employee from accessing provisions contained in clause 23 – Maternity Leave, clause 24 – Adoption Leave and clause 25 – Other Parent Leave of this General Agreement concerning return to work on a modified basis.

14.2 An employee may request the employer to permit the employee to work on a modified basis in their current position or in a position equivalent in pay, conditions and status to their current position and commensurate with the employee’s skills and abilities.

14.3 An employee may seek to work on a modified basis that involves the employee working on different days or at different times or both; or on fewer days or for fewer hours or both, than the employee currently works.

14.4 An employer:

(a) must give reasonable consideration to an employee’s request to work on a modified basis, particularly where the request relates to an employee’s caring responsibilities or phasing into retirement;

(b) may only refuse an employee’s request to work on a modified basis if there are grounds to refuse relating to the adverse effect that agreeing to the request would have on the conduct of operations or business of the employer and those grounds would satisfy a reasonable person; and

(c) has the onus for demonstrating that there are grounds to refuse the employee’s request that would satisfy a reasonable person.

14.5 An employer is to give the employee written notice of the employer’s decision on a request to work on a modified basis. If the request is refused, the notice must set out the reasons for the refusal.

14.6 Right of reversion of employees

(a) Where a full time employee is permitted to work part time for a period of no greater than twelve months, the employee has a right, upon four week’s written notice, to revert to full time hours in the position previously occupied before becoming part time or a position of equal classification as soon as deemed practicable by the employer, but no later than the expiry of the agreed period.
Where a full time employee is permitted to work part time for a period greater than twelve months, the employee may apply to revert to full time hours in the position previously occupied before becoming part time or a position of equal classification, but only as soon as is deemed practicable by the employer. This should not prevent the transfer of the officer to another full time position at a salary commensurable to their previous full time position.

**14.7 Variation to a part time employee’s working hours**

Where agreement is reached to vary a part time employee’s ordinary working hours pursuant to the following clauses of the applicable Award:

(a) clause 9 (3) (c) of the *Public Service Award 1992*; or

(b) clause 9 (1) (c) of the *Government Officers Salaries, Allowances and Conditions Award 1989*; and

the employee works additional hours, up to 7.5 hours on any day, or additional days, up to a total of five days per week, without receiving overtime payments; the additional hours and/or days worked shall be considered part of the employee’s ordinary working hours. These hours are therefore included in calculations for leave entitlements.

**15. FIXED TERM CONTRACT EMPLOYMENT**

15.1 Subject to this clause and in accordance with clause 8 – Contract of Service of the applicable Award, employees may be employed on contracts having fixed terms.

15.2 In exercising their employing authority, employers may only employ a person as a fixed term contract employee in the following circumstances:

(a) Covering one-off periods of relief;

(b) Work on a project with a finite life;

Where a project is substantially externally funded including multiple external funding, the employer must present a business case supporting the use of fixed term contract employees in such positions to the Peak Consultative Forum. Where external funding has been consistent on an historical basis and it can be reasonably expected to continue the employer shall assess the percentage of positions for which permanent appointment can be made;

(c) Work that is seasonal in nature;

(d) Where an employee with specific skills is not readily available in the public sector is required for a finite period; or

(e) In any other situation as is agreed between the parties to this General Agreement.

15.3 Employees appointed for a fixed term shall be advised in writing of the terms of the appointment and such advice shall specify the dates of commencement and termination of employment.
16. WORKING WITH CHILDREN CHECKS

16.1 Where an employee is obliged to obtain a working with children check in accordance with the Working With Children (Criminal Record Checking) Act 2004, payment for the check shall be as follows:

(a) An employer must pay the cost for an employee obliged to obtain a working with children check after their employment has already commenced.

(b) A new employee must pay for their initial working with children check. An employer has the discretion to reimburse a new employee who commenced employment after 1 January 2006 and has paid for their initial working with children check.

(c) An employer must pay the cost for an employee’s working with children check renewals.

16.2 The provisions of this clause apply to all employees, including fixed term contract and casual employees.

PART 4: HOURS OF WORK

17. HOURS

17.1 The provisions of this clause shall replace the provisions of clause 20 – Hours of the applicable Award.

Prescribed Hours

17.2 The prescribed hours of duty shall be 150 hours per four week settlement period, to be worked between 7.00am and 6.00pm, Monday to Friday, as determined by the employer, with a lunch interval of not less than 30 minutes.

17.3 Subject to the lunch interval, prescribed hours are to be worked as one continuous period. However, employees shall not be required to work more than five hours continuously without a break.

17.4 This does not preclude employers requiring or agreeing to the working of standard hours of 7.5 hours per day with a lunch interval to be taken between 12.00 noon and 2.00pm. Where working of standard hours is required by the employer, the requirement must be consistent with operational needs and customer service requirements.

17.5 (a) The employer may vary the prescribed hours of duty observed in the agency or any branch or section thereof, consistent with a 150 hour four week settlement period, so as to make provisions for:

(i) the attendance of employees for duty on a Saturday, Sunday or public holiday;

(ii) the performance of shift work including work on Saturdays, Sundays or public holidays; and

(iii) the nature of the duties of an employee or class of employees in fulfilling the responsibilities of their office;
provided that where the hours of duty are so varied an employee shall not be required to work more than five hours continuously without a break.

(b) Employers wishing to vary the prescribed hours of duty to be observed shall be required to give one month's notice in writing to the department, branch, section or employees to be affected by the change.

(i) Saturdays - time and a half.

(ii) Sundays - time and three quarters.

(iii) Public holidays - double time and a half.

Provided that subject to agreement between the employer and the employee, work performed during ordinary rostered hours on a public holiday shall be paid for at the rate of time and one-half and the employee may, in addition, be allowed a day’s leave with pay to be added to annual leave or to be taken at some other time within a period of one year.

Overtime

(d) An employee required to work overtime on any day shall be paid the appropriate rates as set out in clause 22 – Overtime Allowance of the applicable Award for all time so worked.

Flexible Working Arrangements

17.6 Flexible working arrangements provide for employees to be compensated for additional hours required to be worked to meet operational and customer service requirements. It is not intended that flexible working arrangements be used to accrue periods of leave. Subject to the prior approval of the employer, an employee may, however, take flexi leave in conjunction with periods of paid leave.

17.7 Application

(a) Within the parameters of clause 17.2, flexible working arrangements shall apply unless the employer otherwise specifies.

(b) The employer may limit access to and the operation of flexible working arrangements to ensure operational needs and customer service requirements of the agency are met. The employer shall not unreasonably limit access to flexible working arrangements, including the banking of credit hours.

(c) Employers wishing to vary the flexible working arrangement to be observed shall be required to give one month's notice in writing to the agency, branch, section or employees to be affected by the change.
(d) Flexible working arrangements are available to part time, full time and fixed term contract employees. Flexible working arrangements are available to part time employees on a pro rata basis.

(e) In accordance with clause 9 – Agency Specific Agreements of this General Agreement, the employer may approve alternative flexible working arrangements, provided that an average of no more than 37.5 hours per week is worked as ordinary hours.

17.8 Hours of Duty

(a) The prescribed hours of duty may be worked with flexible commencement and finishing times in accordance with the provisions of this clause.

(b) For the purpose of leave, public holidays and days in lieu of the repealed Public Service Holidays, a day shall be credited as 7.5 hours.

17.9 Flexitime Roster

(a) Where a flexitime roster is required, the authorisation of the roster shall be the responsibility of the employer. The roster will indicate the minimum staffing and any other requirements in respect to starting and finishing times, lunch break coverage and flexi leave.

(b) The roster shall cover a settlement period of four weeks and shall be made available to all affected employees no later than three days prior to the settlement period commencing.

(c) The roster shall be prepared in consultation with the affected employees, subject to the employer retaining the right to determine arrangements to suit the operational needs of the agency.

(d) Subject to four week’s notice being given to affected employees, the employer may withdraw authorisation of a flexitime roster.

17.10 Settlement Period

(a) For recording time worked, there shall be a settlement period of four weeks.

(b) The settlement period shall commence at the beginning of a pay period.

17.11 Credit and Banked Hours

(a) Credit hours in excess of the prescribed hours of 150 hours per settlement period to a maximum of 15 hours can be carried forward to the next settlement period.

(b) During a settlement period, the maximum number of credit hours cannot exceed 37.5 hours.

(c) An additional maximum of 37.5 hours can be banked in any calendar year. Banked hours can be carried over into a new calendar year but cannot exceed 37.5 hours at any time. At the end of each settlement period hours worked in excess of the maximum 52.5 hours credit and banked hours, will be lost.
(d) On termination, resignation or transfer to another agency, unused credit or banked hours will not be paid out and will be lost. However, the employer will provide the opportunity for credit and banked hours to be cleared.

17.12 Debit Hours

(a) Debit hours below the prescribed hours of 150 hours per settlement period to a maximum of four hours are permitted at the end of each settlement period. Such debit hours shall be carried forward to the next settlement period.

Subject to operational need and customer service requirements, the employer may approve alternative arrangements to enable employees to clear banked and/or credit hours up to the maximum of 52.5 hours.

(e) Flexi leave may be taken in any combination of half days and full days.

17.15 Study Leave

Where study leave has been approved by the employer pursuant to the provisions of clause 30 - Study Assistance of the applicable Award, credits will be given for education commitments falling within the prescribed hours of duty and for which “time off” is necessary to allow for attendance at formal classes.
17.16 Overtime

(a) Where employees are directed by the employer to work more than 7.5 hours in any one day, overtime applies. The parties acknowledge that the flexible working arrangement provides for the working of hours in excess of 7.5 hours per day as normal hours if the employer and employee agree.

17.18 Agreements under clause 17.17 are to be in writing and must specify the duration of the agreement, and the times during which ordinary hours may be worked.

17.19 On receipt of a written request from the union, the employer will provide the union with details of agreements made under clause 17.17 including the work location, the duration of the agreement/s, and the times during which ordinary hours may be worked.

This special rostered day off shall be taken by the employee in accordance with a roster prepared by the employer showing days and hours of duty and special rostered days off for each employee.

(ii) Where an employee regularly takes their special rostered day off on a particular day of the week, the employer shall give the employee one month’s written notice of any variation to the day of the week on which an employee is to take that special rostered day off.

(iii) Before making the decision to vary the day on which an employee regularly takes their special rostered day off, the employer shall give reasonable consideration to an employee’s family circumstances and caring responsibilities.

(ii) For a public holiday occurring during a period of annual leave, an additional day will be added to the period of leave irrespective of whether it falls on a rostered work day or a special rostered day off.

(iii) A four week annual leave entitlement is equivalent to 150 hours, the equivalent to eighteen rostered working days of 8 hours 20 minutes, and two special rostered days off.

(iv) An employee who is sick on a special rostered day off will not be granted sick leave for that day, and will not be credited with an additional day off in lieu.

18.1 The provisions of this clause replace the following clauses of the applicable Award:

(a) clause 22 (1) (k), clause 22 (6) and Schedule H – Part I – Out of Hours Contact of the Public Service Award 1992; or

(b) clause 22 (5), and Schedule I – Part I – Out of Hours Contact of the Government Officers Salaries, Allowances and Conditions Award 1989.

18.2 The following terms shall have the following meanings.

"Out of hours contact" shall include the following:

(a) (i) ‘Standby’ shall mean a written instruction or other authorised direction by the employer or a duly authorised officer to an employee to remain at the employee’s place of employment during any period outside the employee’s normal hours of duty, and to perform certain designated tasks periodically or on an impromptu basis. Such employee shall be provided with appropriate facilities for sleeping if attendance is overnight, and other personal needs, where practicable.
(ii) Other than in extraordinary circumstances, employees shall not be required to perform more than two periods of standby in any rostered week.

(iii) This provision shall not replace normal overtime or shift work requirements.

(b) ‘On call’ shall mean a written instruction or other authorised direction by the employer or a duly authorised officer to an employee rostered to remain at the employee’s residence or to otherwise be immediately contactable by telephone or other means outside the employee’s normal hours of duty in case of a call out requiring an immediate return to duty. (ii) ‘Availability’ will not include situations in which employees carry telephones or other means or make their telephone numbers or other contact details available only in the event that they may be needed for casual contact or recall to work. Subject to clause 20 - Overtime of this General Agreement, recall to work under such circumstances would constitute emergency duty in accordance with the following clauses of the applicable Award:

- clause 22 (7) – Emergency Duty of the Public Service Award 1992; or

(d) ‘Return to duty’ shall also include, but is not limited to, situations where an employee, if recalled to duty, can perform such duty outside the usual headquarters where the employee performs ordinary rostered hours.

18.3 Where out of hours contact is a usual feature of the duties for which employees are regularly rostered, the issue of a roster is deemed to be a written instruction.

18.4 (a) Except as otherwise agreed between the employer and the union, an employee who is required by the employer or a duly authorised officer to be on out of hours contact during periods off duty shall be paid an allowance in accordance with the following formulae for each hour or part thereof the employee is on out of hours contact.

\[

\text{On Call:} & \quad \text{Current Level 3.1 weekly rate} \times \frac{1}{37.5} \times \frac{18.75}{100}
\end{align*}
\]
Availability: Current Level 3.1 weekly rate \[ \times \frac{1}{37.5} \times \frac{18.75}{100} \times \frac{50}{100} \]

Provided that:

(i) “current Level 3.1 weekly salary” refers to the weekly salary of a Level 3.1 general division employee as per Schedule 2 – General Division Salaries of this General Agreement; and

(ii) payment in accordance with this clause shall not be made with respect to any period for which payment is made in accordance with the following clauses of the applicable Award:

- clause 22 (3) – Overtime of the Public Service Award 1992; or
- clause 22 (4) of the Government Officers, Salaries, Allowances and Conditions Award 1989

when the employee is recalled to work.

(b) When an employee is required to be on call or available the employer shall provide the employee with the means of contact free of charge for the purposes of work related activity.

(c) Where the means of contact is to be by land line or satellite telephone fixed at the employee’s residence the employer shall:

(i) Where the telephone is not already installed, pay the cost of such installation.

(ii) Where an employee pays or contributes towards the payment of the rental of such telephone, pay the employee 1/52nd of the annual rental paid by the employee for each seven days or part thereof on which an employee is rostered to be on call or available.

(iii) Provided that where as a usual feature of the duties an employee is regularly rostered to be on call or available, pay the full amount of the telephone rental.

(d) An employee shall be reimbursed the cost of all telephone calls made on behalf of the employer as a result of being on out of hours contact.

(e) Where an employee rostered for on call or availability is recalled to duty during the period for which the employee is on out of hours contact then the employee shall receive payment for hours worked in accordance with the following clauses of the applicable Award:

(i) clause 22 (3) – Overtime of the Public Service Award 1992; or

(ii) clause 22 (4) of the Government Officers, Salaries, Allowances and Conditions Award 1989.
Where an employee rostered for on call or availability is recalled to duty, the time spent travelling to and from the place at which duty is to be performed, shall be included with actual duty for the purposes of overtime payment.

Minimum payment provisions do not apply to an employee rostered for out of hours contact duty.

An employee in receipt of an out of hours contact allowance and who is recalled to duty shall not be regarded as having performed emergency duty in accordance with the following clauses of the applicable Award:

(i) clause 22 (3) – Overtime of the Public Service Award 1992; or

No employee shall be on out of hours contact after the last working day preceding a period of annual leave or long service leave.

19. SHIFT WORK

This clause is to be read in conjunction with clause 21 – Shift Work Allowance of the applicable Award.

Definitions

The following terms shall have the following meaning and shall replace the definitions for day shift, afternoon shift and night shift contained in clause 21 (1) of the applicable Award.

(a) “Day shift” means a shift commencing at or after 6.00am and before 12.00 noon.

(b) “Afternoon shift” means a shift commencing at or after 12.00 noon and before 6.00pm.

(c) “Night shift” means a shift commencing at or after 6.00pm and at or before 5.59am.

An employee required to work a weekday night shift will, in addition to the ordinary rate of salary, be paid an allowance in accordance with the following formula for each shift so worked.

\[
\text{Annual salary} \times \frac{12}{313} \times \frac{1}{10} \times \frac{20}{100}
\]

Notwithstanding clause 19.3, the minimum amount payable per shift to an employee required to work night shift will be the allowance payable to an employee with an annual salary of Level 1.7 General Division employee using the formula provided in clause 19.3.
19.5 For the purposes of this clause “annual salary” is the ordinary rate of salary payable for the position as prescribed in Schedule 2 – General Division Salaries or Schedule 3 – Specified Calling Salaries of this General Agreement.

19.6 This night shift allowance will be paid in lieu of the night shift allowance prescribed in clause 21 (2) (a) of the applicable Award.

20. OVERTIME

Cases Where Overtime Provisions Do Not Apply

20.1 This clause is to be read in conjunction with clause 22 – Overtime Allowance of the applicable Award, with the exception of:

(a) clause 22 (4) – Cases where overtime provisions do not apply of the Public Service Award 1992; and

(b) clause 22 (4) (i) and (j) of the Government Officers Salaries, Allowances and Conditions Award 1989.

20.2 Payment for overtime, the granting of time off in lieu of overtime or travelling time shall not be approved in the following cases:

(a) Employees whose maximum salary, or maximum salary and allowance in the nature of salary exceeds that determined in Schedule 2 – General Division Salaries for Level 6 employees or that determined in Schedule 3 – Specified Callings for Level 3 employees of this General Agreement.

(b) Employees whose work is not subject to close supervision.

20.3 Notwithstanding clause 20.2:

(a) Where it appears just and reasonable, the employer may approve the payment of overtime or grant time off in lieu to any employee referred to in clause 20.2 (a).

(b) When an employee who is not subject to close supervision is directed by the employer to carry out specific duties involving the working of overtime, and provided such overtime can be reasonably determined by the employee’s supervisor, then such employee shall be entitled to the payment of overtime or time off in lieu of overtime in accordance with the following clauses of the applicable Award:

(i) clauses 22 (3) (b) or (d) – Overtime of the Public Service Award 1992; or

(ii) clauses 22 (4) (b) or (c) of the Government Officers Salaries, Allowances and Conditions Award 1989.
PART 5: LEAVE

21. PERSONAL LEAVE

Introduction

21.1 The provisions of this clause replace clause 31 – Short Leave, clause 27 – Carer’s Leave, and clause 26 - Sick Leave of the applicable Award.

21.2 The intention of personal leave is to give employees and employers greater flexibility by providing leave on full pay for a variety of personal purposes. Personal leave replaces sick, paid carer's leave and short leave.

21.3 This clause commenced on 30 July 2004. An employee’s pre-existing sick leave anniversary date is maintained for the purposes of the personal leave entitlement.

21.4 Personal leave is not for circumstances normally met by other forms of leave.

21.5 This clause does not apply to casual employees.

21.6 An employee employed on a fixed term contract for a period of twelve months or more shall be credited with the same entitlement as a permanent employee. An employee on a fixed term contract for a period less than twelve months shall be credited on a pro rata basis for the period of the contract.

21.7 A part time employee shall be entitled to the same personal leave credits as a full time employee but on a pro rata basis according to the number of hours worked each fortnight. Payment for personal leave shall only be made for those hours that would normally have been worked had the employee not been on personal leave.

Entitlement

21.8 The employer shall credit each permanent, full time employee with 112.5 personal leave credits for each year of continuous service of which 97.5 are cumulative and 15 hours are non-cumulative as follows.

<table>
<thead>
<tr>
<th>On the day of initial appointment</th>
<th>Personal Leave: Cumulative 48.75 hours</th>
<th>Leave: 15 hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>On completion of 6 months continuous service</td>
<td>48.75 hours</td>
<td>0 hours</td>
</tr>
<tr>
<td>On the completion of 12 months continuous service</td>
<td>97.5 hours</td>
<td>15 hours</td>
</tr>
<tr>
<td>On the completion of each further period of 12 months continuous service</td>
<td>97.5 hours</td>
<td>15 hours</td>
</tr>
</tbody>
</table>
21.9 Where employees access personal leave, it shall be deducted from their non-cumulative entitlement in the first instance.

21.10 In the year of accrual the 112.5 hours personal leave entitlement may be accessed for illness or injury, carer's leave, unanticipated matters or planned matters in accordance with the provisions of this clause. On completion of each year of accrual, unused personal leave from that year up to a maximum of 97.5 hours will be cumulative and added to personal leave accumulated from previous years. Unused non-cumulative leave will be lost on completion of each anniversary year.

21.11 Whilst employees are able to access personal leave in accordance with clause 21.24 of this clause, to ensure compliance with the Minimum Conditions of Employment Act 1993 a minimum of 75 hours must be available to employees for the purposes of an employee’s entitlement to paid leave for illness or injury; or carer’s leave.

21.12 Personal leave will not be debited for public holidays that the employee would have observed.

21.13 Personal leave may be taken on an hourly basis.

21.14 War caused illnesses

(a) An officer who produces a certificate from the Department of Veterans' Affairs stating that the officer suffers from war caused illness may be granted special personal leave credits of 112 hours 30 minutes (15 standard hour days) per annum on full pay in respect of that war caused illness. These credits shall accumulate up to a maximum credit of 337 hours and 30 minutes (45 standard hour days), and shall be recorded separately to the officer's normal personal leave credit.

(b) Every application for personal leave for war caused illness shall be supported by a certificate from a registered medical practitioner as to the nature of the illness.

Variation of Ordinary Working Hours

21.15 When an employee’s ordinary working hours change during an anniversary year, personal leave credits are adjusted to reflect the pro rata portion for that anniversary year.

21.16 At the time ordinary working hours change, personal leave credits are adjusted to reflect ordinary working hours up to that point in time as a proportion of the total ordinary working hours for the anniversary year.

21.17 Personal leave is credited pro rata on a weekly basis from the time ordinary working hours change until the next anniversary date such that total hours credited for that anniversary year is on a pro rata basis according to the number of ordinary working hours for the period.

Reconciliation

21.18 At the completion of an anniversary year, where an employee has taken personal leave in excess of their current and accrued entitlement the unearned leave must be debited at the commencement of the following anniversary year/s.
21.19 The requirements of the *Minimum Conditions of Employment Act 1993* must be met at the commencement of the following anniversary year. The remaining portion of debited personal leave that exceeds the leave credited is to be debited at the commencement of the subsequent and where necessary following anniversary year/s.

21.20 Where an employee ceases duty and has taken personal leave that exceeds the leave credited for that anniversary year, the employee must refund the value of the unearned leave, calculated at the rate of salary as at the date the leave was taken. No refund is required in the event of the death of the employee.

**Access**

21.21 An employee is unable to access personal leave while on any period of leave without pay; Maternity Leave, Adoption Leave or Other Parent Leave; or annual or long service leave, except as provided for in clauses 21.34 (recrediting annual leave) and 21.35 (recrediting long service leave).

21.22 If an employee has exhausted all accrued personal leave the employer may allow the employee who has at least twelve months service to anticipate up to 37.5 hours personal leave from next year's credit. If the employee ceases duty before accruing the leave, the value of the unearned portion must be refunded to the employer, calculated at the wage rate as at the date the leave was taken, but no refund is required in the event of the death of the employee.

21.23 In exceptional circumstances the employer may approve the conversion of an employee's personal leave credits to half pay to cover an absence on personal leave due to illness.

**Application for Personal Leave**

21.24 Reasonable and legitimate requests for personal leave will be approved subject to available credits. Subject to clause 21.8 the employer may grant personal leave in the following circumstances:

(a) where the employee is ill or injured;

(b) to provide care or support to a member of the employee’s family or household who requires care or support because of an illness or injury to the member; or an unexpected emergency affecting the member;

(c) for unanticipated matters of a compassionate or pressing nature which arise without notice and require immediate attention;

(d) by prior approval of the employer having regard for agency requirements and the needs of the employee, planned matters where arrangements can not be organised outside of normal working hours or be accommodated by the utilisation of flexi time credits by employees working according to approved flexible working hours arrangements or other leave. Planned personal leave will not be approved for regular ongoing situations.
21.25 An employer may grant two days unpaid personal leave per occasion to an employee to provide care and support to a member of the employee’s family or household due to the birth of a child to the member. This entitlement does not of itself limit an employee’s access to paid personal leave as provided by clause 21.24 or partner leave as provided for by clause 26 – Partner Leave of this General Agreement. This leave may also be substituted with accrued annual leave, long service leave, time off in lieu of overtime, flexi leave and/or banked hours to which the employee is entitled.

21.26 Employees must complete the necessary application and clearly identify which of the above circumstances apply to their personal leave request.

21.27 The definition of family shall be the definition contained in the *Equal Opportunity Act 1984* for “relative.” That is, a person who is related to the employee by blood, marriage, affinity or adoption and includes a person who is wholly or mainly dependent on, or is a member of the household of, the employee.

21.28 Where practicable, the employee must give reasonable notice prior to taking leave. Where prior notice cannot be given, notice must be provided as early as possible on the day of absence. Where possible, an estimate of the period of absence from work shall be provided.

**Evidence**

21.29 An application for personal leave exceeding two consecutive working days shall be supported by evidence that would satisfy a reasonable person of the entitlement.

21.30 In general, supporting evidence is not required for single or two consecutive day absences. Where the employer has good reason to believe that the absence may not be reasonable or legitimate, the employer may request evidence be provided. The employer must provide the employee with reasons for requesting the evidence. The leave shall not be granted where the absence is not reasonable or legitimate.

21.31 Personal leave will not be granted where an employee is absent from duty because of personal illness attributable to the employee’s serious and wilful misconduct in the course of the employee’s employment.

21.32 Where there is doubt about the cause of an employee's illness, the employer may require the employee to submit to a medical examination by a medical practitioner of the employer’s choice, which the employee must attend. Where it is reported that the absence is because of illness caused by the employee’s serious and wilful misconduct in the course of the employee’s employment, or the employee fails without reasonable cause to attend the medical examination, the fee for the examination must be deducted from the employee's salary and personal leave will not be granted.

21.33 If the employer has reason to believe that an employee is in such a state of health as to render a danger to themselves, fellow employees or the public, the employee may be required to obtain and furnish a report as to the employee’s condition from a registered medical practitioner nominated by the employer. The employer shall pay the fee for any such examination.
Re-crediting Annual Leave

21.34 Where an employee is ill or injured during the period of annual leave and produces at the time, or as soon as practicable thereafter, medical evidence to the satisfaction of the employer that as a result of the illness or injury the employee was confined to their place of residence or a hospital for a period of at least seven consecutive calendar days, the employer may grant personal leave for the period during which the employee was so confined and reinstate annual leave equivalent to the period of confinement.

Re-crediting Long Service Leave

21.35 Where an employee is ill or injured during the period of long service leave and produces at the time, or as soon as practicable thereafter, medical evidence to the satisfaction of the employer that as a result of illness or injury the employee was confined to their place of residence or a hospital for a period of at least 14 consecutive calendar days, the employer may grant personal leave for the period during which the employee was so confined and reinstate long service leave equivalent to the period of confinement.

Personal Leave Without Pay Whilst Ill or Injured

21.36 Employees who have exhausted all of their personal leave entitlements and are ill or injured may apply for personal leave without pay. Employees are required to complete the necessary application and provide evidence to satisfy a reasonable person. The employer shall not unreasonably withhold this leave.

21.37 Personal leave without pay not exceeding a period of three months in a continuous absence does not affect salary increment dates, anniversary date of personal leave credits, long service leave entitlements or annual leave entitlements. Where a period of personal leave without pay exceeds three months in a continuous absence, the period in excess of three months is excised from qualifying service.

21.38 Personal leave without pay is not available to employees who have exhausted all of their personal leave entitlements and are seeking leave for circumstances outlined in clauses 21.24 (b), (c) and (d) or 21.25. However, other forms of leave including unpaid carer’s leave and leave without pay may be available.

Other Conditions

21.39 Where an employee who has been retired from the public service on medical grounds resumes duty therein, personal leave credits at the date of retirement shall be reinstated. This provision does not apply to an employee who has resigned from the public service and is subsequently reappointed.

21.40 Unused personal leave will not be cashed out or paid out when an employee ceases their employment.

Worker’s Compensation

21.41 Where an employee suffers a disability within the meaning of section 5 of the Worker’s Compensation and Injury Management Act 1981 which necessitates that employee being absent from duty, personal leave with pay shall be granted to the extent of personal leave credits. In accordance with section 80 (2) of the Worker’s Compensation and Injury Management Act 1981 where the claim for worker's compensation is decided in favour of the employee, personal leave credit is to be reinstated and the period of absence shall be granted as personal leave without pay.

Portability

21.42 Clause 21.42 shall apply to employees who are employed under the Public Service Award 1992.
(a) The employer shall credit an employee additional personal leave credits up to those held at the date that employee ceased previous employment provided:

(i) immediately prior to commencing employment in the Public Service of Western Australia, the employee was employed in the service of:

the Commonwealth Government of Australia, or

any other State of Australia, or

in a State body or statutory authority prescribed by Administrative Instruction 611; and

(ii) the employee's employment with the public service of Western Australia commenced no later than one week after ceasing previous employment, and

(iii) the personal leave credited shall be no greater than that which would have applied had the entitlement accumulated whilst employed in a State body or statutory authority prescribed by Administrative Instruction 611.

(b) The maximum break in employment permitted by paragraph 21.42 (a) (ii) of this clause, may be varied by the approval of the employer provided that where employment with the public service of Western Australia commenced more than one week after ceasing previous employment, the period in excess of one week does not exceed the amount of accrued and pro rata annual leave paid out at the date the employee ceased with the previous employer.

21.43 Clause 21.43 shall apply to employees who are employed under the Government Officers Salaries, Allowances and Conditions Award 1989.

(a) The employer shall credit an employee additional personal leave credits up to those held at the date that employee ceased previous employment provided:

i) immediately prior to commencing employment in the public authority, the employee was employed in the service of:

the Public Service of Western Australia, or

any other State body of Western Australia, and

(ii) the employee's employment with the public authority of Western Australia commenced no later than one week after ceasing previous employment, and

(iii) the personal leave credited shall be no greater than that which would have applied had the entitlement accumulated whilst employed in a State body or statutory authority prescribed by Administrative Instruction 611.

(b) The maximum break in employment permitted by paragraph 21.43 (a) (ii) of this clause, may be varied by the approval of the employer provided that where employment with the public authority of Western Australia commenced more than one week after ceasing the
previous employment, the period in excess of one week does not exceed the amount of accrued and pro rata annual leave paid out at the date the employee ceased with the previous employer.

Travelling time for Regional Employees

21.44 Subject to the evidence requirements set out in clauses 21.29 to 21.33, a regional employee who requires medical attention at a medical facility in Western Australia located 240 kilometres or more from their workplace will be granted paid travel time undertaken during the employee’s ordinary working hours up to a maximum of 37.5 hours per annum.

21.45 The employer may approve additional paid travel time to a medical facility in Western Australia where the employee can demonstrate to the satisfaction of the employer that more travel time is warranted.

21.46 The provisions of clauses 21.44 and 21.45 are not available to employees whilst on leave without pay or personal leave without pay.

21.47 The provisions of clauses 21.44 and 21.45 apply as follows.

(a) An employee employed on a fixed term contract for a period greater than twelve months, shall be credited with the same entitlement as a permanent employee for each full year of service and pro rata for any residual portion of employment.

(b) An employee employed on a fixed term contract for a period less than twelve months shall be credited with the same entitlement on a pro-rata basis for the period of employment.

(c) A part time employee shall be entitled to the same entitlement as a full time employee for the period of employment, but on a pro-rata basis according to the number of ordinary hours worked each fortnight.

(d) The provisions do not apply to casual employees.

22. PURCHASED LEAVE – 42/52 ARRANGEMENT

22.1 The provisions of this clause replace clause 13 – Purchased Leave - 44/52 Salary Arrangement of the applicable Award.

22.2 The employer and the employee may agree to enter into an arrangement whereby the employee can purchase up to ten weeks additional leave.

22.3 The employer will assess each application for a 42/52 salary arrangement on its merits and give consideration to the personal circumstances of the employee seeking the arrangement.

22.4 Where an employee is applying for purchased leave of between five and ten weeks, the employer will give priority access to those employees with caring responsibilities.
22.5 In order to access approved purchased leave, an employee must:

(a) satisfy the agency’s accrued leave management policy; and

(b) take one week annual leave if purchasing nine weeks’ leave; or

(c) take two weeks annual leave if purchasing ten weeks’ leave.

22.6 Notwithstanding clause 22.5 (b) and (c), the employer may allow an employee to access purchased leave before they have accessed one or two week’s annual leave, whichever applies, where the employee requests it. Any such request may only be refused by the employer if there are reasonable grounds to do so.

22.7 The provisions of clause 22.5 (b) and (c) do not apply to an employee who purchases less than nine weeks leave.

22.9 (a) Purchased leave is not able to be accrued. The employee is entitled to pay in lieu of any purchased leave not taken. In the event that the employee is unable to take such purchased leave, their salary will be adjusted in the last pay period in February to take account of the fact that time worked during the previous year was not included in their salary.

(b) Untaken purchased leave will be paid out at the rate at which it was purchased.

22.10 (a) Where an employee who is in receipt of an allowance provided for in clause 19 – Higher Duties Allowance of the applicable Award or clause 38 – Higher Duties Allowance of this General Agreement proceeds on any period of purchased leave, the employee shall not be entitled to receive payment of the allowance for any period of purchased leave.

(b) Other than when an employee is on a period of purchased leave, the higher duties allowance component of an employee’s salary shall not be affected by an agreement to reduce the employee’s salary for purchased leave purposes.

22.11 Overtime is paid at the ordinary rate of salary and not the reduced rate. This will also apply where overtime is referred to as a percentage of salary.
22.12 In the event that a part time employee’s ordinary working hours are varied during the year, the salary paid for such leave will be adjusted in the last pay in February to take account of any variations to the employee’s ordinary working hours during the previous year.

(ii) The period of leave for a fixed term contract employee shall not extend beyond the term of that contract.

(iii) An employee is eligible, without concluding their Maternity Leave and resuming duty, for subsequent periods of Maternity Leave, including paid Maternity Leave, in accordance with the provisions of this clause.

(b) A pregnant permanent or fixed term employee must have completed twelve months continuous service in the Western Australian public sector as defined under the *Public Sector Management Act 1994* immediately preceding the Maternity Leave in order to receive the forms of paid leave as provided for by this clause.

(c) An employee on a period of leave without pay unrelated to Maternity Leave, Adoption Leave or Other Parent Leave must resume duties prior to being entitled to paid Maternity Leave in accordance with the eligibility requirements.

23.3 (a) A pregnant eligible casual employee is entitled to unpaid Maternity Leave only.

(b) For the purposes of this clause an “eligible casual employee” means a casual employee employed by the employer:

(i) on a regular and systematic basis for several periods of employment with a break of no more than three months between each period of employment and where the combined length of the periods of employment are at least twelve months and the breaks of employment were the result of the employer’s initiative; or

(ii) on a regular and systematic basis for a sequence of periods of employment during a period of at least twelve months; and, but for the birth or adoption of a child, the employee has a reasonable expectation of continuing engagement on a regular and systematic basis.
23.2 Notice Requirements

(a) An eligible employee shall give at least eight weeks written notice of:

(i) their intention to proceed on paid or unpaid Maternity Leave;

(ii) the date the employee proposes to commence paid or unpaid Maternity Leave; and

(iii) the period of leave to be taken.

(b) An employee who has given their employer notice of their intention to take Maternity Leave shall provide the employer with a medical certificate from a registered medical practitioner naming the employee, confirming the pregnancy and the estimated date of birth.

(c) An employee is not in breach of clause 23.4 (a) by failing to give the required period of notice if such failure is due to the birth of the child taking place prior to the date the employee had intended to proceed on Maternity Leave.

(d) An employee proceeding on Maternity Leave may elect to take a shorter period of Maternity Leave to that provided by this clause and may at any time during that period elect to reduce or seek to extend the period stated in the original application, provided four weeks written notice is provided.

23.3 General Entitlement to Maternity Leave

(a) Subject to the requirements of this clause an eligible employee is entitled to 52 weeks unpaid Maternity Leave.

(b) (i) Subject to the requirements of this clause an eligible employee is entitled to 14 weeks paid Maternity Leave that will form part of the 52 week unpaid entitlement;

(ii) The 14 week period of paid Maternity Leave is inclusive of any public holidays or repealed public service days in lieu falling within that time;

(iii) The period of paid Maternity Leave can be extended by the employee taking double the leave on a half-pay basis and its effect is in accordance with clause 23.15.

(c) An employee must take Maternity Leave in one continuous period with the exception of Special Temporary Employment or Special Casual Employment pursuant to clause 23.13.

(d) Except for leave provided under clause 26 - Partner Leave, only one parent can proceed on Maternity, Adoption or Other Parent Leave at any one time.

(f) (i) Notwithstanding clause 23.5 (c) above, paid Maternity Leave may be taken in more than one period by an employee who meets the requirements of clause 23.6 (d).

(ii) Unpaid Maternity Leave may be taken in more than one continuous period where the employee undertakes special temporary employment or special casual employment in accordance with clause 23.13 – Employment during Unpaid Maternity Leave. In these circumstances, the provisions of clause 23.13 – Employment during Unpaid Maternity Leave, shall apply.

(g) (i) Where both employees are employed in the WA Public Sector an entitlement to paid or unpaid Maternity Leave, Adoption Leave or Other Parent Leave or parental leave provided for by another industrial agreement can be shared; and

(ii) the entitlement provided to the employees shall not exceed the paid Maternity, Adoption or Other Parent Leave quantum for one employee or its half pay equivalent; and

(iii) the employees may only proceed on paid and/or unpaid Maternity, Adoption or Other Parent Leave at the same time in exceptional circumstances with the approval of the employer or as provided for under clause 23.6 (d). This does not prevent an employee from taking paid or unpaid Partner Leave as prescribed by clause 26 of this General Agreement.

23.6 Payment for Paid Maternity Leave

(a) (i) Subject to clause 23.6 (c) a full time employee proceeding on paid Maternity Leave is to be paid according to their ordinary working hours at the time of commencement of Maternity Leave. Shift and weekend penalty payments are not payable during paid Maternity Leave.

(e) Where an employee is on a period of half pay Maternity Leave and their employment is terminated through no fault of the employee, the employee shall be paid out any period of unused paid Maternity Leave equivalent to the period of leave the employee would have accessed had they been on full pay Maternity Leave when their termination occurred.

(f) An employee eligible for a subsequent period of paid Maternity Leave as provided for under clause 23.2 (a) (iii) shall be paid the Maternity Leave as follows:

   (i) According to the employee’s status, classification and ordinary working hours at the time of commencing the original period of paid Maternity Leave; and

   (ii) Not affected by any period of Special Temporary Employment or Special Casual Employment undertaken in accordance with clause 23.13.

(a) The period of paid leave can commence up to six weeks prior to the expected date of birth of the child.

(b) The period of unpaid leave can commence up to six weeks prior to the expected date of birth of the child or earlier if the employer and employee so agree, but must not start later than the birth of the child.

(c) (i) If the employer has reason to believe that the continued performance of duties by a pregnant employee renders danger to herself, fellow employees or the public, the employee may be required to obtain and provide a medical certificate stating that the employee is fit to work in her present position for a stated period.

   (ii) The employer shall pay the fee for any such examination.

   (iii) Where an employee is deemed to be unfit to work in her present position, the provisions of clause 23.8 - Modification of Duties and Transfer to a Safe Job, may apply.

(d) (i) Where the pregnancy of an employee terminates other than by the birth of a living child, not earlier than twenty weeks before the expected date of the birth, the entitlement to paid Maternity Leave remains intact and subject to the eligibility requirements of this clause.

   (ii) Such paid Maternity Leave cannot be taken concurrently with any paid personal leave taken in this circumstance.

(e) The period of paid Maternity Leave must be concluded within twelve months of the birth of the child.

(f) (i) The employer may, in exceptional circumstances, allow an employee to take paid Maternity Leave that will result in the employee being on paid Maternity Leave more than twelve months after the birth of the child.
(ii) An employer may require evidence that would satisfy a reasonable person that the circumstances warrant allowing the employee to take their period of paid Maternity Leave such that it would result in the employee being on paid Maternity Leave more than twelve months after the birth of the child.

23.8 **Modification of Duties and Transfer to a Safe Job**

(a) (i) A pregnant employee may work part time in one or more periods whilst she is pregnant where she provides her employer with a medical certificate from a medical practitioner advising that part time employment is, because of her pregnancy, necessary or preferable.

(ii) The terms of part time employment undertaken in accordance with clause 23.8 (a) (i) shall be in writing.

(iii) Such employment shall be in accordance with clause 9 – Part Time Employment of the applicable Award and clause 14 – Part Time Employment of this General Agreement.

(b) In the absence of an alternative requirement, and unless otherwise agreed between an employer and employee, an employee shall provide their employer with four weeks written notice of an intention to:

(i) vary part time work arrangements made under clause 23.8 (a); or

(ii) revert to full time employment during the employee’s pregnancy.

(c) An employee reverting to full time employment in accordance with clause 23.8 (b) (ii) will be entitled to the same position or a position equivalent in pay, conditions and status and commensurate with the employee’s skill and abilities as the substantive position held immediately prior to undertaking part time employment.

(d) If an employee gives her employer a medical certificate from a medical practitioner, or some other form of evidence that would satisfy a reasonable person, and it contains a statement to the effect that the employee is fit to work, but that it is inadvisable for her to continue in her present position for a stated period because of:

(i) illness, or risks, arising out of her pregnancy; or

(ii) hazards connected with that position;

then the employer must modify the duties of the position or alternatively transfer the employee to a safe job at the same classification level for the period during which she is unable to continue in her present position.

(e) If an employee’s employer does not think it to be reasonably practicable to modify the duties of the position or transfer the employee to a safe job;

(i) the employee is entitled to be absent from the workplace on full pay for the period during which she is unable to continue in her present position.

(ii) An entitlement to be absent from the workplace on full pay as at clause 23.8 (e) (i) applies to an eligible casual employee.
(iii) An employee who is absent from work pursuant to this subclause shall be paid the amount she would reasonably have expected to be paid if she had worked during that period.

(i) the end of the period stated in the medical certificate;

(ii) if the employee’s pregnancy results in the birth of a living child – the end of the day before the date of birth; or

(iii) if the employee’s pregnancy ends otherwise than with the birth of a living child – the end of the day before the end of the pregnancy.

23.9 Interaction with Other Leave Entitlements

(a) An employee proceeding on unpaid Maternity Leave may elect to substitute any part of that leave with accrued annual and/or accrued long service leave.

(b) Where annual and/or long service leave is substituted that leave shall form part of the 52 weeks Maternity Leave entitlement.

(c) An employee proceeding on unpaid Maternity Leave may elect to substitute all or part of that leave with accrued time off in lieu of overtime, flexi leave and/or banked hours to which the employee is entitled subject to the provisions of clause 22 – Overtime Allowance of the applicable Award and clause 17 – Hours of this General Agreement, where applicable.

(d) Personal leave is not payable on a period of paid or unpaid Maternity Leave.

23.10 Extended Unpaid Maternity Leave

(b) Approval for an extension to unpaid Maternity Leave will be subject to all other available leave entitlements being exhausted.

(c) Where both parents work for the WA Public Sector the total combined period of extended unpaid Maternity, Adoption and extended Other Parent Leave shall not exceed two years.
(d) The employer is to agree to a request for extended unpaid Maternity Leave unless:

(i) the employer is not satisfied that the request is genuinely based on the employee’s parental responsibilities; or 

(ii) agreeing to the request would have an adverse impact on the conduct of operations or business of the employer and those grounds would satisfy a reasonable person.

(e) The employer is to give the employee written notice of the employer’s decision on a request for extended unpaid Maternity Leave under clause 23.10 (a). If the request is refused, the notice is to set out the reasons for the refusal.

(f) An employee who believes their request for extended unpaid Maternity Leave under clause 23.10 has been unreasonably refused may seek to enforce it as a minimum condition of employment and the onus will be on the employer to demonstrate that the refusal was justified in the circumstances.

23.11 Communication during Maternity Leave

(a) If the employer makes a decision that will have a significant effect on the status, responsibility level, pay or location of an employee’s position whilst on Maternity Leave, the employer must take all reasonable steps to give the employee information about, and an opportunity to discuss, the effect of the decision on that position.

(b) An employee shall also notify the employer of changes of address or other contact details that might affect the employer’s capacity to comply with clause 23.11 (a).

23.12 Replacement Employee

(a) Should a replacement employee be engaged, the replacement employee is to be informed prior to engagement of the fixed-term nature of the employment and of the rights of the employee, who is being replaced, including that the engagement may be subject to variation according to clause 23.4 (d) and ability to extend unpaid Maternity Leave as provided for under clause 23.10.

(i) For the purposes of this subclause, “temporary” means employment of an intermittent nature; for a limited, specified period; and undertaken during unpaid Maternity Leave or extended unpaid Maternity Leave.

(ii) Notwithstanding any other provision of the Maternity Leave clause, an employee may be employed by their employer on a temporary basis provided that:

- both parties agree in writing to the special temporary employment;
- public service officers are only employed on a temporary basis in connection with their substantive office, post or position;

(b) Special Casual Employment

(i) Only employees covered by the Government Officers Salaries Allowances and Conditions Award 1989 can be engaged on special casual employment during unpaid or extended unpaid Maternity Leave.

(ii) For the purposes of clause 23.13, “casual” means employment on an hourly basis for a period not exceeding four weeks in any period of engagement for which a casual loading is paid. It excludes employment undertaken in accordance with clause 23.13 (a) – Special Temporary Employment.

(iii) An employee can be engaged on special casual employment provided that:

• both parties agree in writing to the special casual employment;

• employees are employed at the level commensurate to the level of the available position under this General Agreement;

• in the case of a fixed term contract employee, the period of the casual employment is within the period of the current fixed term contract;

• any such period of service shall not break the employee’s continuity of service nor change the employee’s employment status in regard to their substantive employment; and

• any period of special casual employment shall not count as qualifying service other than with respect to entitlements a casual employee would ordinarily be entitled to for any other purpose under any relevant award, agreement or industrial instrument.

(c) The provisions of this clause only apply to employment during unpaid Maternity Leave, and extended unpaid Maternity Leave taken in conjunction with Maternity Leave as provided for in clause 23.10 – Extended Unpaid Maternity Leave.

(d) An employer cannot engage an employee in special temporary employment or special casual employment whilst the employee is on a period of paid Maternity Leave, annual leave, or long service leave taken concurrently with a period of unpaid Maternity Leave.

(e) Effect of special temporary employment and special casual employment on unpaid Maternity Leave

(ii) An employee who immediately resumes unpaid Maternity Leave or extended unpaid Maternity Leave following the conclusion of a period of special temporary employment or special casual employment:

- is entitled, on written notice, to extend their period of unpaid Maternity Leave or extended unpaid Maternity Leave by the period of time in which they were engaged in special temporary employment or special casual employment; and

- shall give not less than four weeks’ notice in writing to their employer of the new date they intend to return to work and so conclude their period of Maternity Leave or extended unpaid Maternity Leave.

(iii) An employee who does not immediately resume their period of unpaid Maternity Leave or extended unpaid Maternity Leave at the conclusion of a period of special temporary employment or special casual employment cannot preserve the unused portion of leave for use at a later date.

(c) Where an employee was transferred to a safe job or was absent from the workplace on full pay as provided for in clause 23.8 – Modification of Duties and Transfer to a Safe Job, the employee is entitled to return to the position occupied immediately prior to the transfer or their absence from the workplace on full pay.

(d) Right to Return to Work on a Modified Basis

(i) An employee may return on a part time or job-share basis to the substantive position occupied prior to the commencement of leave or to a different position as determined by the employer at the same classification level in accordance with the part time employment provisions of the applicable Award and this General Agreement.

(ii) An employee may return on a modified basis that involves the employee working on different days or at different times, or both; or on fewer days or for fewer hours or both, than the employee worked immediately before starting Maternity Leave.

(e) Right to Revert
(i) An employee who has returned on a part time or modified basis in accordance with clause 23.14 (d) may subsequently request permission from the employer to resume working on the same basis as the employee worked immediately before starting Maternity Leave or full time work at the same classification level.

(ii) A request made under clause 23.14 (e) (i) must be in writing and must be made at least four weeks before the day on which the employee wishes to resume working on the same basis as the employee worked immediately before starting Maternity Leave or full time work at the same classification level.

(iii) An employer is to agree to a request to revert made under clause 23.14 (e) (i) unless there are grounds to refuse the request relating to the adverse effect that agreeing to the request would have on the conduct of operations or business of the employer and those grounds would satisfy a reasonable person.

(iv) An employer is to give the employee written notice of the employer’s decision on a request to revert under clause 23.14 (e) (i). If the request is refused, the notice is to set out the reasons for the refusal.

(v) An employee who believes their request to revert under 23.14 (e) (i) has been unreasonably refused may seek to enforce it as a minimum condition of employment and the onus will be on the employer to demonstrate that the refusal was justified in the circumstances.

(f) Employer Requirement to Revert

(i) If, on finishing Maternity Leave, an employee has returned to work on a modified basis in accordance with clause 23.14 (d), the employer may subsequently require the employee to resume working on the same basis as the employee worked immediately before starting Maternity Leave.

(ii) A requirement can be made under clause 23.14 (f) (i) only if:

   (aa) the requirement is made on grounds relating to the adverse effect that the employee continuing to work on a modified basis would have on the conduct of the operations or business of the employer and those grounds would satisfy a reasonable person; or

   (bb) the employee no longer has a child who has not reached the compulsory education period as defined in section 6 of the School Education Act 1999.

23.15 Effect of Maternity Leave on the Contract of Employment

(a) (i) Paid Maternity Leave will count as qualifying service for all purposes under the applicable Award and this General Agreement.

(ii) Qualifying service for any purpose under the applicable Award or this General Agreement is to be calculated according to the number of weeks of paid Maternity Leave that were taken at full pay or would have been had the employee not taken paid Maternity Leave at half pay. Employees who take paid Maternity Leave on
half pay do not accrue Award, agreement or other entitlements beyond those that would have accrued had they taken the leave at full pay.

(b) (i) Absence on unpaid Maternity Leave or extended unpaid Maternity Leave shall not break the continuity of service of employees.

(ii) Where an employee takes a period of unpaid Maternity Leave or extended unpaid Maternity Leave exceeding 14 calendar days in one continuous period, the entire period of such leave shall not be taken into account in calculating the period of service for any purpose under the applicable Award, agreement or industrial instrument. Periods of unpaid leave of 14 days or less shall, however, count for service.

(c) An employee on Maternity Leave may terminate employment at any time during the period of leave by written notice in accordance with clause 8 – Contract of Service of the applicable Award.

(d) An employer shall not terminate the employment of an employee on the grounds of the employee’s application for Maternity Leave or absence on Maternity Leave but otherwise the rights of the employer in respect of termination of employment are not affected.
