

Contact details for Falls Clinics and Falls Specialist Services in the Perth Metropolitan Area.

(Services are located in Day Therapy Units or Community Rehabilitation Program of selected Tertiary, General and Specialist Metropolitan Hospitals) ^

All non-urgent referrals for Falls Clinic should be sent via [Central Referral Services](#). Urgent referrals should be directed through to the local site directly (Phone / Fax) or via central referral marked *URGENT*. For referrals requiring allied health assessment only, referrals should be posted or faxed to the relevant service via the contact details below. Further information relating to Falls Prevention and Assessment including services can be obtained via the [HealthPathways \(WA\)](#) portal.
