

## Cold Chain Breach (CCB) and Vaccine Wastage Form – Government funded vaccines

excludes vaccine expiry\*

**Vaccine Account Name** \_\_\_\_\_ **Account No.** \_\_\_\_\_

Phone \_\_\_\_\_ Fax \_\_\_\_\_ Email \_\_\_\_\_

Incident date \_\_\_\_\_ Incident type (CCB)  Fridge Failure  Power Outage  Transport issue  
 \*record expiry through on-line form (Other reason)  User Error Other \_\_\_\_\_

Incident description \_\_\_\_\_

**FOR COLD CHAIN BREACH (CCB) INCIDENTS DO NOT DISCARD VACCINES** as your Regional Immunisation Coordinator (RIC) will provide stability advice. Isolate and refrigerate affected vaccines between 2°C to 8°C and clearly label 'DO NOT USE'.

Record details, attach the data logger table view printout (for prior to and for the full breach period), and send to your RIC.

Record Max/Min temperature for this breach \_\_\_\_\_ Time outside 2 to 8°C \_\_\_\_\_

Record further details when vaccines have been a) affected by a previous CCB, and/or b) administered since this CCB incident occurred. Your RIC may phone you for additional information.

Previous breach date \_\_\_\_\_ Previous breach / other details \_\_\_\_\_

**Record only government-funded vaccine doses in the table below (\*record expiry through on-line form)**

Immunisation provider record doses		RIC to complete		Immunisation provider record doses		RIC to complete	
Vaccines	No. doses	Retain	Discard	Vaccines	No. doses	Retain	Discard
Act-HIB				MMR-II			
Adacel				Nimenrix			
Afluria Quad				Pneumovax			
Bexsero				Prevenar 13			
Boostrix				Priorix			
Engerix Paed				Priorix Tetra			
Engerix Adult				ProQuad			
Fluad Quad				Quadracel			
Fluarix Tetra				Rotarix			
FluQuadri				Tripacel			
Gardasil 9				Vaqta			
HBVax-II Paed				Varivax			
Infanrix				Vaxigrip Tetra			
Infanrix Hexa				Zostavax			
Infanrix IPV				Other			
Ipol				Other
