WA CERVICAL SCREENING PROVIDER SCHOLARSHIPS 2019 – 2020 FY.

The WA Cervical Cancer Prevention Program (WACCPP) is pleased to announce that scholarships are available for eligible nurses and midwives working in the private and publicly funded sectors who are committed to delivering cervical screening in their workplace.

The WACCPP will consider applicants' requests for funding to cover costs associated with completion of clinical placements. This may include travel and accommodation, or the engagement of SHQ services necessary for the completion of clinical placements. The scholarship funding will be agreed with scholarship recipients on an individual basis, at the discretion of the WACCPP.

ELIGIBILITY CRITERIA

To be eligible to apply for a scholarship you must:

- be a registered nurse or midwife;
- be employed in a Western Australian workplace;
- have support from your workplace to deliver cervical screening services on behalf of a supporting doctor, as part of your core work; and
- have already demonstrated a commitment to providing cervical screening services by completing the accredited cervical screening education (theoretical component) at SHQ.
