13. In regards to the 12 Directions, please provide detailed comments on how to maximise improvements in each of the Directions. Where possible, please indicate which Direction your comments relate to.

My comments are directed at all the recommendations.

They are good, but I believe little will change.

I have little faith in the the Government to implement change

14. Is there anything else that the Panel has missed so far that is important in developing a more sustainable health system for Western Australia?

A good review by the Panel.

I would like to see a great deal of consumer participation in any direction which is taken
